

REMARKS

In the previous Office Action, the Examiner called attention to an inconsistency between the drawings and the Brief Description of the Drawings in the specification of the above-named allowed application. Figure 4 was contained in the drawings but not listed in the Brief Description of the Drawings in the specification. The amendment above is believed to cure this inconsistency.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
